About CAPS-ACÉAU 2010

The Canadian Association of Planning Students – L'Association Canadienne des Etudiants en Aménagement et en Urbanisme (CAPS-ACÉAU) is a non-profit student-driven organization that hosts an annual conference in a different Canadian city each year. The three-day conference brings together planning students from across Canada to collaborate with each other and with professionals to explore progressive solutions to today's pressing planning issues, present their own research, and learn about exciting jobs in their field. This year, the conference will be hosted at the School of Environmental Design and Rural Development at the University of Guelph.

Employer Opportunities

We are currently seeking employers to attend the conference. Employers will gain visibility through logo recognition on event materials and our website, and have access to approx. 150 rural, urban and international planning and landscape architecture students. A \$500 registration fee provides the following:

- Table space with linens
- Assistance with set up
- Job posting(s) on the "Recruit Guelph" website
- Wine and Cheese invitation for a maximum of 3 representatives.
- Opportunity to provide students with company information.

For a reduced fee of \$150, employers can also choose to set up a booth at the 2-hour wine and cheese job fair event only on February 5th from 5:00 pm – 7:00 pm, where students will peruse employer booths in a relaxed atmosphere.
